

# TIRE PROTECTION POLICY, ROAD HAZARD LIMITED WARRANTY

## TERMS & CONDITIONS:

### What is Covered and for How Long:

This warranty covers only those tire(s), for which this warranty: (1) has been purchased along with the tire, or (2) for those tire(s) which when purchased from Mavis Discount Tire, included a Road Hazard Limited Warranty, which tire(s) become unserviceable as a result of Road Hazards (i.e., cuts, snags, bruises, impact breaks or other un-repairable punctures). Tires damaged as a result of the following occurrences are not covered under this warranty: Run Flats, Wheel Misalignment, Cosmetically Damaged Tires, Tires run Over/Under inflated, necessary vehicle maintenance has not been performed, Vandalism and Accident/Collision.

### What is Not Covered:

- Tires removed from service due to being overloaded or intentional abuse.
- Tires that can safely be fixed.
- Road service, towing costs and other incidental damage.
- Mounting, balancing and applicable state and federal (FET) taxes

### How the Replacement Price to be Determined:

NORMAL ROAD HAZARDS (Road Hazard Limited Warranty): If a tire covered by this warranty becomes unserviceable due to a normal road hazard (example: cuts, snags, bruises, impact breaks or non-repairable punctures) during the useable tread life of a tire, (useable tread is the original tread depth minus 2/32nds of an inch, you will receive a credit for the amount of useable tread remaining on the damaged tire based upon your original tire purchase. This credit will be deducted from the cost of the replacement tire.

### Road Hazard Warranty credits will be calculated as follows:

Each new tire begins with a tread depth measured in 32/nds. The amount you will pay for a new tire will be calculated based on the chart below: the price of the new tire multiplied by the percentage of wear equals the price of the new tire.

**Original Tire Tread Depths in 32/nds.**

	9/32	10/32	11/32	12/32	13/32	14/32	15/32
